Hi Kathy, yes I do. I've listed their contact information below:

Karen Melvin: melvin.karen@epa.gov

Rick Rogers: rogers.rick@epa.gov

Let me know if you need anything else!

Kevin – Do you have an email address for Karen Melvin and Rick Rogers (EPA)? I suspect Roger missed my note. Thanks.

Good Morning Roger,

I am getting ready to email the PDF of the 2Q20 HFPO-DA report. I am trying to find an email address for Karen Melvin but have not been able to find one. Will you please send that to me? Also, I did not know if you wanted me to email Rick Rogers the PDF as well. I could not tell from your email. Thanks for your help!

Thanks for the information Roger. Did you share the 1Q20 HFPO-DA report or should I forward to Karen and Kevin?

Good morning Andrew and Kathy,

As you are aware, EPA Region 3 underwent a realignment last year and the bulk of the PFAS drinking water enforcement cases, including the Chemours Washington Works facility, has been transferred to the newly created Enforcement & Compliance Assurance Division (ECAD). Accordingly, it is now appropriate to send the hardcopy quarterly HFPO-DA reports to Karen Melvin, Director of ECAD. Catherine Libertz no longer needs to be copied on these reports. In addition, please send an electronic copy to Kevin Rowsey, EPA Region 3. Thank you so much and please contact me if you have any questions.

Roger Reinhart
